

TECHNICAL DETAILS – testo 191 P1

Absolute Pressure	
Measuring range	1 mbar to 4 bar
Accuracy	±20 mbar
Resolution	1 mbar
Reaction time	t ₉₀ = 0.2 s
General technical data	
Dimensions	22 x 83 (ø x height)
Operating temperature	0 to 140 °C
Product-/housing material	Stainless steel, PEEK plastic
Protection class	IP68
Measuring rate	1 s to 24 h
Channels	1
Authorizations	CE
Battery type	1/2 AA lithium

General technical data	
Battery life	2,500 operating hours (measuring cycle 10 sec at +121 °C)
Memory	60,000 measuring values
Storage temperature	-20 to +50 °C
